What To Bring

When packing a diaper bag for your child, please include the following items:

- 1) Two or three disposable diapers. No cloth diapers, please
- 2) Pacifier or other item, should your child need it for security
- 3) A complete change of clothes in case your child would require that.
- 4) A bottle of milk, formula, juice or water. (This is a good practice even for mothers who nurse.)

Please label all personal items with your child's first and last name before arriving at your child's class. This helps us keep track of your child's items.

When You Arrive At Your Child's Room... (Conference Room)

A leader will meet you at the check-in area to receive your child and any other necessary items. The leaders in Baby's Bay wear a **bright green lanyard** so you can easily identify them. Please check in and note any information that will help in caring for your child such as feeding times, sleeping times, allergies and special needs. At the time of check-in, a leader will give you a **bracelet** to keep with you and the corresponding number is recorded on the sign in sheet.

We ask that you present the bracelet upon return to your child's classroom. The leader will verify that the number on the back of the bracelet and number on the sign in sheet match and then release your child.

Snacks...

Snacks are provided for the children who are 12 months and older. The food items consist of water and Cheerios or vanilla wafers. If your child has an allergy, please inform the leader when you check in your child.

Saying Good-bye...

After you have completed the check-in process, simply wave a quick good-bye and leave for the worship service. As you know, it is normal for little ones to cry when leaving a parent. This does not last long, and separation becomes easier over time. Our leaders will immediately try to create interest in a toy or activity and give assurance that you will return after the worship service is completed. If your child cries for an extended period of time of 10 minutes, we will send someone to get you.
