What to Expect on Sundays

When your child arrives on Sunday morning, they will be greeted by one of our Children's Ministry volunteers. The leaders in Kids Kove wear **bright yellow lanyards** so they can be easily identified. These leaders have completed an orientation/training program, have been carefully screened, and are committed to the safety of your child.

Sign-In Process... (starting at 9:45am)

Kids Kove teachers will meet you and your child at the table in front of the cafeteria. Each child **must** be signed in by his/her parent. Both will receive the same number stamped on his/her hand. This number is only visible with a black light that we use to check each child out after the service. Please let the leader know if another adult will be picking up your child.

Praise & Worship...

We believe it is important that children participate in the praise and worship with their parents and family. Therefore, one Sunday a month children in Kids Kove will sign in and then attend the main service with their parents. The children will meet their Kids Kove leader in the lobby during the Greeting Time of the service.

During Kids Kove...

When children enter Kids Kove, they are encouraged to try different Activity Stations until everyone arrives (usually by 10:15am). These stations may include games, coloring, time in the Gym, etc. The lesson starts with Large Group Time, where the leaders creatively teach the Bible through drama, video, interviews, game shows, music and more. Children then move to age-appropriate Small Groups where they participate in fun learning activities that make the Bible lessons relevant to their lives.

Sign-Out Process...

As parents pick up their children, we will use a black light to make sure the number on the child's hand matches the number on the parent's hand. Once you have picked up your child, please do not leave them unsupervised at any time in the building or in the parking lot. Thank you for your cooperation.
